availability

On July 15, 2011 millions of people will line up to watch one of the most anticipated movies in cinematic history...

But...

On July 14 we would like you to see it first!

WEI would like to invite you and your family to join us for an exclusive early screening of **Harry Potter and The Deathly Hallows Part 2 in 3D.**

For ten years the world has been captivated by the Harry Potter series of films. This month it all comes to an end in one dramatic finale. Worldcom Exchange has teamed up with Hewlett Packard, AMC Theaters and Warner Brothers to provide an exclusive sneak preview of the 3D conclusion. Worldcom Exchange is pleased to extend invitation only access for you and your family to this private event. Of course popcorn and soda will be provided as well! Please let us know in advance if you require wheelchair accessibility, or have any specialized needs. Please remember to register for this event in advance.

We look forward to seeing you there.
